ABOUT US

Founded in 2025, Aura Diagnostics is a patient-centered healthcare facility led by Dr. Ramyashree R.M and Dr. Kiran Ramaiah, two highly skilled clinicians with over a decade of combined experience in medical diagnostics and clinical care. Guided by their expertise, Aura Diagnostics delivers accurate, timely, and reliable diagnostic services across a wide range of modalities.

Equipped with advanced technology, evidence-based protocols, and a compassionate team, we perform high-precision procedures including ultrasound scans, Doppler studies, ECG, laboratory investigations, and specialized diagnostic assessments. Dr. Kiran Ramaiah's extensive training and commitment to quality further elevate the standard of care we provide.
